

# NATIVES IN THE NEWS

A Wild Ones-Columbus Publication

---

## PRESIDENTIAL PROCEEDINGS

Greetings! I am Holly Latteman, the Chapter President for Wild Ones of Columbus. I look forward to meeting you at one of our in-person events or one of our virtual events.

I am passionate about native plants, wildlife and igniting a spark in others to care for our natural world.

I also serve as Director on the National board of Wild Ones. I am excited to invest in an organization that focuses on the intersection of communities of people and plants. I am happy to answer any questions you may have on the organization or the commitment to our community.

As president, I hope to grow our chapter and continue to spread awareness of the importance of native plants. Join me in being a positive force for natural landscapes!
