Native Pollinator Garden Grant Application

Date of application:

Applicant Information

Name: _____

Street address: _____ City: _____ Zip _____

Email: _____ Phone: _____

Proposed Location of the Native Pollinator Garden

Location name: _____

Street address: _____ City: _____ Zip _____

Property owner: _____

Contact name: _____ Contact phone: _____

Do you have permission to plant on this site? ___ Yes ___ No

Project Size

Estimate the size of proposed garden (square footage or dimensions): _____

The Proposed Garden

1. **Who will be involved in planting the proposed garden? (e.g., friends, neighbors, students, a club, a church group, etc.)**

2. **Briefly describe the garden and the types of plants you will use.**

3. **Provide a general timeline for the project.**

4. **Does the garden project rely solely on the WOC money? Identify any additional resources or support (money, donated plants, seeds, etc.)**

5. **Briefly describe the maintenance plans for the garden. Who will ensure upkeep?**

Community Impact

Briefly describe:

1. **Visibility of the site.**

2. **How will the garden benefit the public?**

3. **What outreach or education will the garden provide?**

4. **Identify the audience (i.e., neighbors, students, general public)**

Sustainability

Briefly describe the plan to ensure long-term success of the garden project.

Other (optional)

Briefly provide any additional information WOC should consider.
